

Blessed Devotee,

Many of devotees, villagers have expressed their desire and willingness to participate and worship temple during annual uthsavam, thaipoosam, panguni uthram, etc.but could not as currently there is no space or accommodation available to stay. Further with great concern, It may also be noted that we have acute man power shortage to conduct the festival functions. We have requested devotees to attend all functions from day 1 , devotees are ready to attend but again place to stay is a matter of concern.

In order to have a permanent solution for stay at village, we are happy to inform that Trust has purchased ancestral house of Late AK.Swaminatha Iyer. It may be noted that current building is in very bad shape, likely to fall any time. So we need to demolish complete building and construct new hall, with 4 bath rooms, 4 toilets, overhead tank, compound wall, small kitchen cum dining room, dressing room for ladies, locker facility for keeping valuables of devotees, cots for aged person to sleep and other essential amenities for safe and comfortable stay during festival days.

We furnish below the approximate cost involved for completion of project.
